Around The Executive:

1. President's Report:
   Wayne van Heerewaarden congratulated the Traralgon Bowls Club team on taking out the Summer Competition and also congratulations to the I.A Club Hustlers on taking out the Winter Competition. Both excellent results and probably a first on having a different winner in each competition in about fifteen years. All in all it was a pretty we played season no real dramas and what there was got sorted out pretty quickly. It's been a pretty successful year and thanks to everyone who participated and played and let's try and make it bigger and better again. I'd also like to thank the Committee without these guys we wouldn't have a league, there's a lot of hard work that goes on in the background it's a thankless job so again I'd just want to thank these guys.

2. Vice President's Report:
   Rosa Payne said that she didn't have a lot to report, everything went smoothly.

3. Treasurer's Report:
   Dean Burridge passed around the annual statement to the members.
   We were able to complete both Winter and Summer seasons with one division and the new handicap system. We had 10 teams in Winter and 12 in Summer, with team numbers down quite a long way from pre Covid competition numbers.

   The Association made a significant profit of $5,467.64 for the reporting year. It should be noted the cost of trophies for the Summer season ($530.99) is not included as it was paid after 31 March 2023, and we had credits for two teams in the Country Cup as the previous competition did not go ahead.
   Our publicity officer Claire Blackford did a great job finding $1,700 in sponsorship from

   1) Melina Bath MP
   2) Turks Bar
   3) Morwell RSL
   4) Schnitz

   which has added considerably to the financial result.

   Thank you to the team captains for the payment of fees. Most of this was done without prompting, and all fees were paid on time, which makes my role much easier.

   The committee has been conservative in our spending this season, with costs for trophies and presentations reduced from previous years, partly due to reduced player numbers. However it is not our intention to make large profits, and we will look to provide a more even result in the coming year.

   Dean opened up the floor to questions. Ken asked about the Country Cup figures in which Dean answered by explained by breaking down the payments and what they were for. Dean also talked about the administration costs which included the purchase of the scorer's computer and software at $1,124. Daniel Tabone asked about the Junior's money these days, Wayne responded that currently it's sitting in the bank in term deposit we are just about to pull it out of the term deposit and move it over as we are shifting banks and we will look at what to do with it once it's in the new bank. Andrew said that it will probably go back under term deposit again. Dean went onto explain where the juniors money is on the annual statement. Wayne went onto explain the history of the juniors fund and how we use it now. It was discussed by the members about possible uses and ideas for the juniors going forward.

6. Publicity Member's Report:

Claire Blackford apologized as her report is the longest report.

I just want to thank Andrew O'Neill for his work on the committee this past year. Andrew has done the role of Secretary, Scorer and has helped out other roles as well, including myself as Publicity Member.
As the Publicity Member my role is to promote the sport of 8 ball and to gain sponsorship for the league. To promote the sport and attract new members we put up flyers at Turks Bar, the Morwell RSL and the Italian Australian Club.
The FB page is also a place to promote 8 ball and it has been used inappropriately by some members in the past which is not a great way of promoting the sport or our league. People have used the FB page to have a go at each other and to make comments that aren't helpful or are generally negative so we decided this year to shut off all comments to prevent any arguing and negativity on the page. The downside to that is members aren't able to use the page in a positive way so I'm sure that will be reviewed and your feedback on that would be appreciated.
Regarding sponsorship, we didn't approach many businesses for sponsorship this year because they have all done it tough through covid and a lot of businesses are still recovering from that, so we didn't

want to put more pressure on them. Businesses don't get a lot out of sponsoring sporting associations unless the members support them so we encourage all members to think about our sponsors and support them when you can. I'd like to give another shout out to our sponsors this year.
Our very first sponsor was the Morwell RSL who sponsored the league $500. The RSL has shown great support to the league through sponsorship for many years and are a great home venue for some of our teams. The RSL has a great bistro, they hold bingo events, fundraising trivia nights, darts comp, billiards and snooker comps, entertainment, and they provide support to veterans and their families through a range of welfare services. We really appreciate their ongoing support.
Our second sponsor was Melina Bath who sponsored the league $600. Melina is the Nationals Member for Eastern Victoria and the Assistant Shadow Minister for Public Land Use and Education. Melina cares a lot about local issues and was hoping to make it to our winter comp grand final or our presentation night to meet some of our members but was unavailable at the last minute. We'd like to thank her for her generous support as well.
Thank you to Schnitz in Traralgon for their sponsorship of $100, please show them some support as well if you can. They have a huge range of wraps, burgers, salads and meals, and their chips are delicious if you haven't tried them!
Our last major sponsor for the year was Turks Bar in Traralgon who sponsored the league $500. Turks Bar are another great home venue for many of our teams and have supported our league for many years through sponsorship. Turks Bar have an awesome function room if you have any special events coming up, they have karaoke nights, live bands playing regularly, members draws, drinks specials, and in house pool comps. A big thanks to Turks Bar as well.
Lastly, we have been looking into running a sausage sizzle at Bunnings to raise funds for the league, rather than putting pressure on businesses for sponsorship. We've had a slight hiccup with obtaining public and property liability insurance for the day, Wayne are you able to give an update on how the insurance is going?? We can't move forward with booking a date for the sausage sizzle until we get the insurance but if we do we'll be asking members to come and help out when they can, even if it's only for 1 or 2 hours. It's a great way to raise some funds.

7. Ordinary Member:
   Angela Dean thanked the Committee and said that it was her first year at being the ordinary member having been the secretary for three years and it was nice to contribute where I can and see how everybody else operates. I was glad for the opportunity and to meet and get to know people that I would not have had the opportunity otherwise which I am very grateful. It can be a relative thankless role or job being on the Committee so these guys have been an amazing support and wonderful week in week out so I really do appreciate all that there done. In saying that I have decided that I won't be continuing on the Committee I'm going to have a break after four years and just get back to enjoying the game. Thank you for everything and to these guys for making my life a little bit easier and thank you all for your friendship it's been good.

Election of Office Bearers:

The President Wayne van Heerewaarden thanked the Committee again for all their efforts that they've put in and on that note the Committee vacated their seats except for the incumbents. The Vice President Rosa Payne sat in the chair for the nomination of the Office Bearers.

Wayne then sat in the chair and convened the remaining Committee elections.

The President Wayne van Heerewaarden congratulated the new members of the Committee.

Annual Subscription Fees:

1. Pool Victoria Affiliation:
   Registration Fee: $9
   Wayne van Heerewaarden explained the benefits of been affiliated after Daniel Tabone asked the question. Affiliated Leagues can hold the Country Cup and entry fee is $50 less also players can go and compete in Pool Victoria events like the State Titles etc. Melbourne have their own junior league. The cost of Affiliation is $9 per player. Wayne van Heerewaarden said that it is Pool Victoria expectation that affiliated leagues will transition to the IR rules within the next five years. It looks like there are a number of leagues who will not be re-affiliating with Pool Victoria.

   Daniel Tabone also asked Wayne about the Pool Victoria agm and the issues he had. Wayne explained to the members about the introduction of the IR rules and the issues he had with the way it was introduced and voted on and also had concerns with some of the rules. Wayne said that he attended the meeting via a zoom call and he was excluded from the meeting until after the IR rules were discussed but said that he raised it up again when he was allowed into the meeting in which they tried to say that we have moved on from that. Wayne said that he was fuming at this point but remained calm but was direct with his questioning.

   Andrew O'Neill and Jamee van Galdren spoke in favour of affiliating with Pool Victoria.

   Moved: Andrew O'Neill
   Seconded: Jamee van Galdren
   - Carried Unanimously

2. Pool Victoria Bond:
   AGM Bond: $100
   With zoom meetings now available to leagues let's not worry about that.

3. LVEBA Annual Subscription Fees: $5

Daniel Tabone proposed to raise it but Allan Greenwood spoke against it whilst Andrew O'Neill said that we don't make money on the registration fees it's the match fees is where we make money but at the moment the financial situation of the Association is fine so just keep everything as it is.

Moved: Andrew O'Neill
Seconded: Allan Greenwood
- Carried Unanimously

3. LVEBA Match Fees: $24 (Technically its set by the Committee not the members)

Moved: Andrew O'Neill
Seconded: Ken Krieger
- Carried Unanimously

Special Business:

1. Summer Competition Forfeits:
   Wayne said that we had some forfeits this season and it wasn't a good thing with one team in particular who had to give a few matches away. In their defence they did try to play the matches but for whatever reason the other team were unable to accommodate that or didn't want to and that's their prerogative to make as well. In moving forward when we look at taking on teams from other leagues we are going to have to say to these teams that if your league goes and starts up before our season finishes its season you will need to make our league that priority you've committed here first and we want you to finish off that commitment here, otherwise it can disrupt the season and even affect the outcome here. There were some issues at their agm, we don't want to stop teams from other league from playing but we want to emphasize to teams to commit and if they can't then there probably best not starting.

   Andrew said that Wayne said is right I think the best thing going forward is to get the commitment from the team and if they don't fulfil that commitment then we don't have them again as this could have blown out to be more than a couple of games and thanks to Shane's team for playing one of those games it was great that they did that but they didn't have too. The other two team we did ask and didn't do it for whatever reason it their prerogative as the rules are set that way, I would have then like to have seen the Paragon's fulfil their duty but the opted not to. I did speak to their president over there and he made them aware of the situation at their agm as he is player on the Paragon team. He said that the captains wanted to get the season going and I asked him could they have pushed it forward and he said that there was no reason why they couldn't but they wanted to get the season started which was disappointing for us. So we need to get the teams commitment as this could have been 4 of 5 game forfeits if they had of decided to start their season even earlier.

   Shane Vogt brought up a point of why the end of season competition between the two leagues stopped? Andrew said that stopped many years ago but there's no reason why it shouldn't happen again. Shane said well that would start getting the sides back together again. Andrew said it could be a good way of mending some bridges.

   Wayne went on to say the obversely no one likes having forfeits during the season and we will do our best to not have them. Budgie said that it could have made a big change to the finals. Wayne said that if any teams on the night are facing the prospect of a forfeit try and talk to us and we will help out where we can and particularly now with that emergency player rule you can get players to slip in and play we may even put together a players list.

2. Pool Victoria Delegates Report:
   Pretty much covered that earlier.

3. International Rules & World 8 Ball Rules:

For those who haven't seen the international rules jump on line and check it out and make yourself aware of the rules and you can decide for yourself whether you like it or not and as a league we will decide to or not to when the time comes to vote on it.

4. Country Cup: Wonthaggi 2023 & LV8BA 2024:
   Country Cup will be held in Wonthaggi on the last weekend in May the 27th & 28th and runs over three days. Friday night they have a knockout comp with Saturday and Sunday the main comp and finals. Great event we have put a post-up on the Facebook page over a week ago asking for players to let Rosa know if there interested and so far she has about 15 names or so. So let your teams know as we are not going to chase you anymore you have to come to us and let us know that you are available, it's open to everyone. It will be at the Workman's Club it's been there before. We have three teams with seven or eight players per team so get in contact with Rosa. Country Cup committee will get together soon.

   Shane Vogt asked the question about the $50 that players got to help them out with petrol & accommodation? Andrew said that the Committee will be looking at that again now that we are better financially situated, the cost will be around $1050 plus the $750 for the team fees for three teams so that will be around a couple of grand and if the funds are there then why not.

5. Winter Competition: Teams & Groupings:
   Please get your team entry forms in so that we can group any new players the list has been updated on the website.

6. Calendar Year: Start Date, Rounds, Finals & Meetings:
   Andrew said that we are looking at a start date of the 2nd May 2023 for round one so by Saturday the 22nd of April will be the cut-off date for team entries. We have five at the moment we are expecting around eleven teams. If we get 18 teams we will finish up around September sometime if we get more than that say 11 or 12 teams we will finish well into October which is Summer comp time but so be it if that happens we may only go round once in the summer but we will work that out when we get there. When you are filling out your form once you have signed it take a phot and send me the form via text and if players details are the same as last year just put 'same as last year' and then when you get to a drop box next throw the hard copy in there. Daniel Tabone asked what if we get 20 teams do we do two division but Andrew said not necessarily we can go around once but there's not a real call for divisions at the moment but we will make that decision when we get 20 teams which will be some time away.

7. Scorebooks:
   Andrew said that we will get the scorebooks out to you to the venue on the night of your first round so keep an eye on the website for the draw to see where you are playing round 1. Daniel Tabone asked about other venues which was discussed by the members the Crown is to cool for pool now but the Glen pub, the Exchange and Ryan's were spoke about as well as Churchill.

8. Personal Space:
   Wayne said that when it comes to the start and end of the games just a hand shake, high 5's or fist bumps please STOP the kisses the gropes and the hugs no more kisses and cuddles. Andrew said that if you're not married to it don't do it!

9. Any other business:
   Pizza Shop:
   Wayne said that the pizza joint under Turks are doing pool members special on a Tuesday night so if anyone wants one they'll look after you, Rick Merlo said $12 for a large. Wayne added that he's hopeful that they will be coming on as a sponsor as well.

   QuickBooks:
   Another thing is that we are doing QuickBooks for the Treasurers role so each team will receive an invoice for the whole season via email of the match fee/registrations. Please check your junk file in case

the invoice has gone there. We are not using the old bank we are using Bendigo bank now so check and make sure your details are correct.

Around the Floor:

Using the sign in book. General questions only, **No** motions.

1. David Buhagiar - Asked about the length of the Summer comp finals and how it took nearly 4 hours to play one match why couldn't we have played on two tables. Wayne said that we need to address that going forward as he did speak to both captains on the day and they were not comfortable about that. But moving forward we can make a change.
2. Daniel Tabone - Does the Summer comp have to be played in one day can we break it up and play it over a number of nights. Andrew said that we don't have enough time due to the length of the seasons now but traditionally too we play it all on the one day.
3. Jay Langstaff - None
4. Bart Munn - In relation to making money for the association what about 25 number bingo card. Wayne said that we can have a look at that.
5. Angela Dean - None
6. Trevor Hough - None
7. Shane Vogt - None
8. Ken Krieger - I forgot.
9. Danny Matheson - None
10. Shannon Russell - The Summer comp final was just too long touch the table at ten then not again till three and ten past drunk by seven when the finals started no excuses for losing though. Wayne said we will be looking into that.
11. Don McIvor - None
12. Ronald Stephen Kingsley - None
13. Allan Greenwood - None
14. Mark Row - None
15. Rick Merlo - None
16. Andrew Troughton - None
17. Claire Blackford - None
18. Jane Kolakowski - None
19. Jamee van Galdren - None
20. Dean Burridge - Summer comp finals thanks to Shane the roast meat was exceptionally good he did a magnificent job. Wayne also wanted to thank Shane for levelling the tables on the night before finals we were up there till a bit after midnight.
21. Matt Anderson - Spoke about opening the Facebook page up for in-between seasons as it will make it easier for members to find teams you can close it again when the season starts. Committee to discuss.
22. Andrew O'Neill - None
23. Rosa Payne - None
24. Wayne van Heerewaarden - None

Ken Krieger remembered and asked about Life Membership and said we haven't had any new Life members since Andrew in 2019 and before that 2010. Andrew explained the process of Life Membership. You can look on the website and see how many years a member has done. Ken was given a copy of the rule book to read.

Daniel Tabone asked about why we have come here and not at a sponsored venue. Andrew said that we have spoken to Daniel up at Turks and explained to him that the venue is too noisy to hold a big meeting like this as the sound bounces around the room to much there and the last time we had it at the Morwell RSL we were out in the open room which was not ideal.

Next Meeting:

1. Date & Place:
   Next meeting if needed will be held after the last home/away game is played for that season that being a Delegates Meeting and if not that meeting it will be the 47th Annual General Meeting on 4th April, 2023.

Meeting Closed:

1. Closing:
   The President Wayne van Heerewaarden thanked everyone for their attendance.
2. Time/Duration:
   9:44pm/1:23min.
