3. There was a motion to fine Kenny Krieger \$100.00 for his misconduct, but the motion to fine Kenny Krieger was thrown out because we didn't have a secondary mover, Melissa Worthy was the mover.
4. Kenny Krieger has the floor in response to the letter from Peter Snykers. I have been captain for this league for over 8 years. The complaint came in to late and should have been dealt with straight away, instead of it being dealt with after Ross Wardle from Warragul played his match. Peter Snykers was inappropriate in the way he conducted the meeting. My speech was all about the way the referee conducted the meeting. Because the players were fined and there are no ways of appealing the decision, so we could do nothing. Peter Snykers the head adjudicator was out of order playing on the weekend, Peter Snykers marked the game so he needed to get another person to be head adjudicator. This is what I think!

Motion that nothing happens to Kenny Krieger.
