 1. With the results of the scores can you please just send who wins then the sets won then games, for example Star Bar 3-9.

World Federation 8 Ball Association have a meeting around June or July, so we will know more about the red spotted white ball then, most likely the red spotted white ball will become a part of the world rules, but until then we will just use our plain white ball.
 3. But when it does come in we will use the red spotted white ball over the Summer Competition to get used to using it. The LV8BA will purchase balls and captains will be responsible for them.
 4. About the last three rounds of the draw in first division, we had three different options, these were discussed and the floor was open for discussion. Was discussed at length. Happy to go with the format for this year.

- **Scorer's Report:** Tabled and accepted with ladder to round 16 as played 1st July, 2008.

1. For division 1 have talked about the rounds coming up after round 18 with the 3 rounds, how to work it out. Just discussed the last 3 rounds. If you are number 1 after round 18 you will go by that number for the next 3 rounds in the draw.
2. Division One Singles Championship is the worst year for entrants ever had, only 57 people. Bad year! \$100.00 for the bbq and \$185.00 to the Bar. If you have nominated for the draw and haven't paid yet you will have to pay before you play your next singles game because you will not be financial. If you don't turn up you lose your \$5.00, it will be a 64 draw. Hire 2 tables, Mick says 3 tables. See how we go. You won't get to see the draw until the day. Starts at 10am on the dot!

1. Timers at Dick Smith only \$10.00 very cheap. Discussed.

Do we want to get 20 of them?

- Carried Unanimously -

Captains will be responsible for them. What do we do with the old ones; give them to Teddy for Life Membership? Ha-ha

2. About the red spotted white ball, the Australian 8 Ball Association have not made it mandatory for people to use the red spotted white ball. It is up to the individual Associations whether or not to use the ball. Discussed at length.

Do we want to change to the red spotted white ball?

- Carried Unanimously -

3. We will get 20 - 30 red spotted white balls and start using them in the Summer Competition and will probably get them from Pool Victoria. If you lose the ball it is up to the captains to refund the money.

4. Do we want to get a dozen sets of balls for the league? We can get them for the season you will have to fork out the cost of the balls to use them or you can purchase them outright. Discussed at length. A lot of teams don't need them because venues have them but some don't.

- Carried Unanimously -

5. The bus for the Annual Presentation Ball will be organized by Steve Sanders, thanks for that. We have talked about the cost of the bus and who should pay for it.

Motion to get the league to pay for the bus.

Moved: Steve Hutchinson

6. Team shirts for the finals are meant to be the same but the Morwell Return Service League Gold's can't get a shirt to fit Carlo Cianci.

In the rule book it says it has to have a collar and nothing else, we will look at the rule in the coming meetings so at the moment Carlo Cianci can use a black shirt like the Morwell Return Service League Gold's do.

7. The Morwell Return Service League Reds both the both Crown Hotel teams will be fined for not attending the meeting and are not eligible to come to the Annual Presentation Ball until the fines have been paid.

8. Next meeting will be at the Merton Rush Hotel Morwell and it will be for the Summer Competition. All teams wanting to play in Summer Competition must attend the meeting and if anyone knows of anyone wanting to play this is the time to learn how to play the game of pool; it's a little more relaxed than the Winter Competition.

- **Closing:** Next meeting to be announced but will be held at the Merton Rush Hotel Morwell at 7:30pm.
