Welcome back to Pool for 2025. I Hope everyone had a safe and happy New Years. Lets start at Churchill where travelling team MRS� Hotshots bought the pain belting the home team pillar to post with Claire, Adam and Porky all winning 4 frames. Well done guys. Over at Morwell RSL Pool Sharks overcome our winter comp premiers with a nice win...Not even Taz's 4 frames could urge them over the line for a win. MRS� Rebels were no match for the travelling Turks Allsorts lead by the taxi duo Wayne and Bart winning 4 frames each and MRS� Renegades and We're Back ended up in a draw. Well done Ron on 4 frames. Over at Turks SICKUNiTS continued their assertiveness against Sports Bar whereas both Who's On Jug 'Em Up? and MRS� Greens drew as did Packn' Plenty and MRS� Cues and Brews with all three of Doc, Nathan and Mick winning 4 frames but still not being enough for a win due to handicapping. Over at Moe the two teams duelled each other but it was lackluster with Farcues coming out on top as big winners against Moe Hotel Mavericks. R6 next weeks, It's great to have pool back.
