Round 9 is done and dusted and we have a lot of movement happening on the ladder.... Over at Churchill the Cougars have a convincing victory against visitors Cues and Brews. Well done guys. Turks Allsorts travelled up the highway to v The Moe Hotel Mavericks ending with a win for the visiting team. Over at MRS� Hotshots went BANG against visitors SICKUNITS firming themselves in top spot lead by both Adam and Claire winning 4 frames each. Well done guys. Pool Sharks were no match for the Renegades with both Mick and Dean winning 4 frames each. Well done. Last but not least the Greens drew with visitors Moe Farcues taking 1 point for their respected side. Over at Turks HQ Who's On Jug 'Em up scrapped a victory from the struggling Rack n' Roll. I ended up fluking 4 frames tonight so I'll pat myself on the back....Packn' Plenty had an uphill battle giving away 7 frame headstart and could only end up with a draw against the MRS� Rebels. Shoutout to Nat on winning the frame to get the draw. Bad luck Doc, Ken and Mick who all won 4 frames but couldn't overcome the Everest of a handicap challenge. Last but not least Sports Bar and We're Back were in a battle with Sports Bar edging out a (May I add) inform We're Back. Round 10 next week and this ladder is moving all over the show. The rankings are also tight
